EMS

Name

In an EMERGENCY  
DIAL 911 and give

1. Name and Phone Number
2. Address of the Emergency
3. Description of the Emergency
4. Stay on the line
5. Have someone else call 911 if you are unable to do so

Why do it?

Medical personnel can make the best decisions regarding emergency treatment when they know a person's medical history and current medications. This information is often not available to emergency responders unless you provide it. It can be the difference between life and death.

Place a clear, recent photograph of the participant

Fill out this medical form. Keep all your information up to date.

3. Refrigerator or Glove Box

Place the completed form in the Refrigerator or Glove Box. Yellow Dot: Place the Yellow Dot in the Refrigerator or Glove Box.
