## My Medical Info

### Why do it?

Medical personnel can make the best decisions regarding emergency treatment when they know a person's medical conditions, medications, or medical allergies. This can mean the difference between life and death in the "Golden Hour" immediately following a medical emergency.

### 1. Photograph

Place a clear, recent photo of just the participant into the pocket so emergency personnel can instantly identify the individual.

### 2. Medical Form

Fill out this medical information card.

### 3. Refrigerate

Place the completed Vial of Life Yellow Dot glove box.
